

2015-2016 CREDIT - NO CREDIT APPLICATION

The following excerpt is from the Teacher's Handbook regarding grading:

North Muskegon High School uses the grades A, B, C, D, F, CR, and N. Credit only courses are not figured into the gpa, only total credits earned. Non-required courses may be taken on a credit-no credit basis with the consent of the instructor and counselor in the eleventh and twelfth grades. If the course is not passed by the student, a grade of N is given. To earn CREDIT on a CR/NC basis, the combined percentage of marking period grade and exam grade must be 78%, or NO CREDIT is earned.

Please complete the information below to confirm your request for taking a course for credit-no credit. Return this form to the teacher for signature, then forward to the counseling department. Forms must be at the counseling office by Parent Teacher Conferences, as designated on our master calendar.
